WELCOME FROM PASTOR LARRY W. BARNES

Welcome to Faith Assembly of God- a place of hope. We found that there is hope in the central message of the person and work of the Lord, Jesus Christ. There is hope to have your sins forgiven. There is hope to be cleansed from the results of poor decisions. There is hope to be healed of sickness and disease. There is hope to be reconciled to Christ and to mend strained relationships.

If you are already attending Faith, or if you are visiting please help us with the follow up and/or visitation needs. You can help us by filling out the information tab on your bulletin and dropping it in the offering plate or giving it to one of our ushers.
